

Thank you PCVA for your continued support!

Dear Neighbor,

One of the area's best-known rites of spring is just around the corner; the annual Charlottesville Ten Miler. Up to 2,500 runners will be passing through your neighborhood during the 50th running of the race on Saturday, March 22nd, 2025.

The Charlottesville Ten Miler is known as the most scenic city course in Virginia, and we appreciate you letting us run through your beautiful neighborhood. Please be aware that there may be some roads in your area that are closed during portions of the race. Below is a course map and a table with the times which runners will be visiting your area and your roads will be affected.

We urge everyone to come out and cheer the runners on! Having spectators along the course really does help them as they cover ten challenging miles, and it's a fun opportunity to see folks you know and meet the neighbors you might not know. Play music, the runners will love it!

**If you are traveling on Saturday morning, please drive safely, give runners the right-of-way, and plan ahead.**

If you have any questions, please feel free to contact me via email at [cville10milerrd@gmail.com](mailto:cville10milerrd@gmail.com).

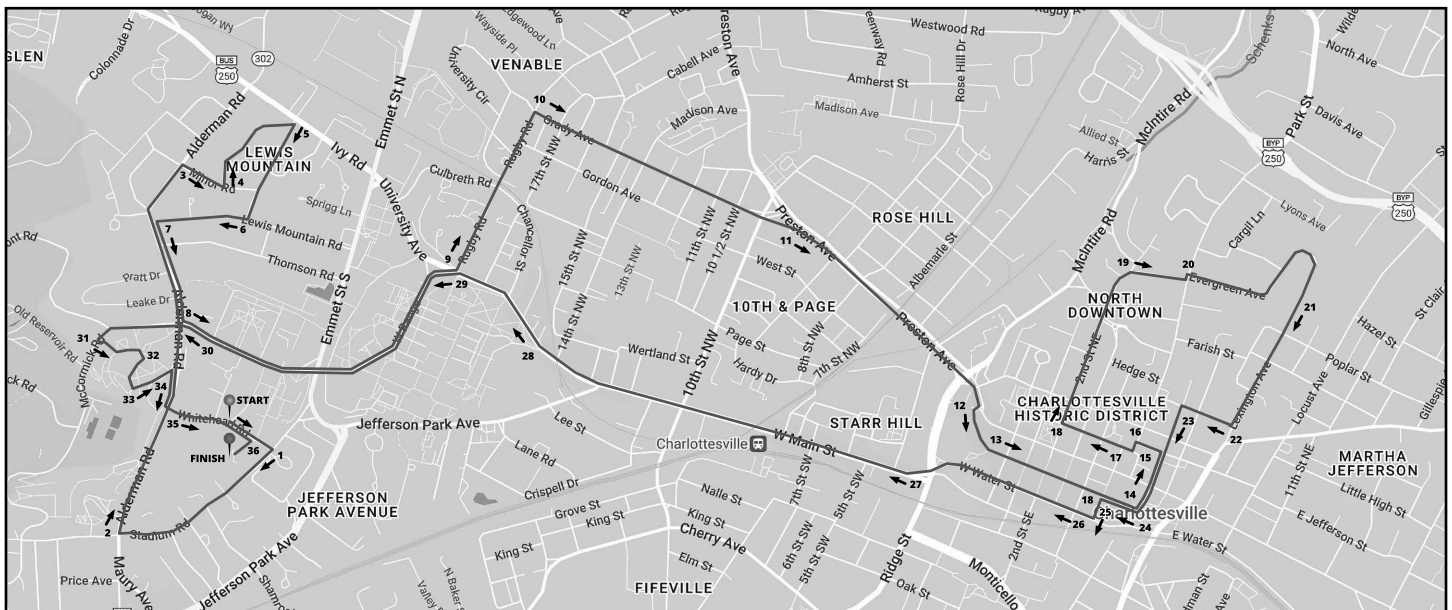

Thank you for your support of the Charlottesville Ten Miler!
